## Updated FCPS Bus Policy

The school system's chief operating officer, whose responsibilities include pupil transportation and safety, has directed that the following procedures be followed regarding afternoon transportation of kindergarten students. The procedure went into effect on Feb. 14, at all FCPS elementary schools. Please note that the term "guardian" includes day care providers or other adults designated by parents on a student's emergency care card.

*"All kindergarten students riding regular afternoon school buses are to be met at their bus stop by the parent, a guardian, or a sibling in 7th grade or higher, or the driver will ask that the school be notified by transportation of the student's return and provide an estimated return time."*

## Mantua Auction A Success!

Thanks to all of the wonderful faculty, parents and businesses who donated activities, services and items, and to all our enthusiastic bidders. And a special thanks to Heidi Killion, Meri Farling, John Nicholas, Nicole Armstrong, Teresa LeMair, Jackie O'Brien, Alice Wang, Karen Levin and Lorri Fowlkes for all of their efforts. Please remember to pay for and pick up your winnings in the office by Wednesday, Feb. 23.

## Family Fun Lego Night

Come enjoy a night of Lego building at the PTA Family Fun Night this Friday, Feb. 25 from 7 to 9 p.m. in the school cafeteria. Millions of Legos and Duplos will be available for the event. Brian Meny of Brixalot will lead the group in activities. Kids and adults can spend the evening making Lego creations. There is no cost to attend. Children must be accompanied by an adult. Contact Ken Moles at [kenmoles@cox.net](mailto:kenmoles@cox.net) if a language translator is needed. Contact Kathleen DeCarlo at

[kdecarlo@verizon.net](mailto:kdecarlo@verizon.net) for more information.

## Spanish-Speaking Families Gathering, March 4

Mantua's Community Building Network Program invites school families to attend a get together on Friday, March 4, to give Spanish-speaking families a chance to meet and get to know each other, and to better connect with the school. This casual gathering will take place in the upper pod from 6:30 to 8 p.m. This also is in support of the upcoming Heritage Night. Refreshments will be served. If you would like to attend, please RSVP to Carmen

Mogrovejo at 703-207-2328 or Gabriella Numbela Drpic at 703-573-6375.

## Application Process for Elementary Magnet Schools

The following information will explain the 2011-2012 magnet school application and lottery process for Hunters Woods Elementary School for the Arts and Sciences and for Bailey's Elementary School for the Arts and Sciences.

Bailey's Elementary School for the Arts and Sciences has a broad array of programs to help each student to continually grow and thrive in his or her ability to create, inquire and connect. The school has both classroom teachers and additional specialized educators who focus on the sciences, the arts, and the technology so that these areas are integrated and complement one another as the child learns in all fields. Additionally, some students have the opportunity to participate in the Spanish Immersion program.

Hunters Woods Elementary School for the Arts and Sciences offers an interdisciplinary, concept-based instructional program with an added emphasis on fine and performing arts, science, and technology. Kindergarten and first grade students are assigned to multiage (K/1) classes. A science specialist, a technology resource teacher, and additional art classes provide opportunities for all students to enhance their learning. The arts team includes music, art, and dance teachers. Resource teachers collaborate with classroom teachers to coordinate and integrate learning activities with classroom instruction.

To be eligible to apply, a student must be on or above grade level in language arts and math

and demonstrate positive interpersonal and school behavior. Applications will be screened for eligibility, and a lottery will be conducted in early April.

Applications are available [here](#) on the FCPS site. Parents must complete the appropriate school application and return the form to the PreK-6 Instruction and School Support Office, at Fairfax Ridge. Applications must be postmarked no later than March 1.

For questions regarding the Bailey's Elementary School magnet program, please contact Rachel Charlton, assistant principal, at 703-575-6800. For questions

about the Hunters Woods Elementary School magnet program, please contact Diane Beers, parent liaison, at 703-262-7405.

For questions regarding the application process, please call the magnet information line, PreK-6 Instruction and School Support Office, Leis Center, at 571-423-4652.
