## FCPS Budget Information

- Investing in employees, with an emphasis on teacher

salaries

- Reducing class sizes in elementary schools

There is so much information available about the FCPS budget and what it means. Please take a minute to educate yourselves about this issue as it is very important for our schools and our children.

## Meeting: Normal Teen Behavior vs. Warning Signs – Will You Recognize the Difference?

Fewer than half of teens with major depression and even fewer with substance abuse problems actually receive treatment. It can be difficult to differentiate between typical teenage behavior and problems and the symptoms of unhealthy levels

of stress, drug or alcohol abuse, or serious emotional difficulties. Come improve your understanding of when your teen might require professional help and learn what to do next. This meeting will be at Woodson High School in Cafeteria A, **Wednesday, January 27th, 7:30-9:00 p.m.**

## FCAG Evening of Music

The Fairfax County Association for the Gifted (FCAG) is hosting The Beauty of Music: Reaching for the Stars. Come enjoy an evening of music and conversation about music education. What are the benefits to studying music? Should we do private lessons? How much should kids practice to be good? How far can a student get with music? Should I do strings, orchestra, band or chorus? Will music change the way my child thinks and learns? Panelists include award winning musicians and teachers, Marjorie Lee (piano), Dennis Stokes (band), and some young musicians, who will share short pieces reflecting their enormous talent. The Beauty of Music will be held **Tuesday, February 2nd** at Luther Jackson Middle School, 7:00-8:15 p.m. This event is free and open to the public.
