Family Life Education Instructional Program Information

Fairfax County Public Schools (FCPS) provides a comprehensive, sequential Family Life Education (FLE) program for students in grades K-12. Instruction is seen as a partnership among parents and guardians, the school, and the community in supporting the learning essential to the development of strong families, positive relationships, and a healthy community.

Parents/guardians may choose to opt their child out of all or part of the Family Life Education program. Students who are opted out are provided with age-appropriate, nonpunitive alternative health instruction, and every effort is made to foster respect for family choices. If you wish to opt your child out of all or part of FLE for this school year, opt out forms were sent home at Back to School Night or in the Tuesday

folder following their evening and are available online at <http://www.fcps.edu/is/hpe/fle.shtml>. Please fill in the opt-out form and return it to your child's teacher prior to Family Life Education instruction, which will begin mid-December for 5th and 6th grade and second semester for K-4.

Detailed grade-level program descriptions are available online at <http://www.fcps.edu/is/hpe/fle.shtml>. FLE grade level-specific lessons and media that FCPS has streaming rights for are available for parents online in FCPS 24-7 (Blackboard) Parent View. Account information is available at your local school or online at <http://bit.ly/1N2BUPl>. Grade level-specific lessons are also available at the Fairfax County Regional Library in the City of Fairfax (this location does not have media). Grade level-specific lessons and media that is not streamed online are available for review at your child's school library. Due to copyright restrictions, we are unable to stream all media online.

Program questions may be addressed at your child's school or by contacting Instructional Services at 571-423-4550 or by contacting Elizabeth Payne, Health and Physical Education Coordinator at etpayne@fcps.edu.

Reminder: 5th and 6th Grade Human Growth and Development Lessons

The 5th and 6th grade will begin teaching their five Human Growth and Development lessons on Monday, December 12th, 2016. The students will be separated by gender and taught by their grade level teachers and specialist teachers. All students will be included in this lesson unless an opt-out form has been submitted to the school by **December 9th**. Additional opt-out forms can be picked-up in the main office or requested from your child's teacher, or accessed online <http://www.fcps.edu/is/hpe/fle.shtml>
