## Chat with School Board Members

As of this writing, Kaye Kory, Phil Niedzielski-Eichner, and Tessie Wilson have confirmed. It's a great opportunity to discuss with our School Board things that are important to our kids and schools. ## Last Week's Highlights from Mrs. Fernandez

- On Monday, February 16, our yearbook photographer captured candid pictures of staff and students smiling, despite the fact that school was in session on President's Day!
- On Wednesday and Thursday, February 18-19, our third grade students were engaged in practice tests in Math and English. These tests are similar to the SOL testing they will be taking in May and gave the students practice with test format, bubbling, and dealing with the language of test questions.
- Wednesday and Thursday, February 18-19, our fifth and sixth grade teacher teams met during their planning times to re-organize students' enrichment schedules for the remainder of the school year. Creative use of teachers and specialists during the enrichment time block will allow us to more appropriately support the individual needs of students!
- The musical talents of our 264 Band and Strings students were displayed at the Winter Concert on Thursday, February 19. Many thanks to Mr. Pittman and Mrs. Kerlin for their incredible talents in getting all of these students to make beautiful music together and for their ongoing efforts to facilitate our students' musical growth!
