T shirts, long sleeve shirts and hooded sweatshirts are available in both youth and adult sizes starting at just \$8. Order now . . .they make great gifts! All orders must be turned in to the PTA box in the office by Wednesday, November 28 in order to guarantee delivery before winter break. 3. **Lost and Found**

The Kids Care Club will be collecting unclaimed Lost and Found clothing to donate to Bailey's Elementary School's Clothing Boutique. If you think you may have something in the Lost and Found, now is the time to go and see. During the first week of December, some of the Kids Care Club families will be collecting and washing unclaimed items to be donated to this worthy cause.

4. **Holiday Gift Idea**

The PTA is pleased to once again offer families Type to Learn, the software package Mantua uses to teach children typing. The software is just \$13 and is available in time for the holiday season.

Students embark on zany time travel missions to learn keyboarding skills in this animated update of Type to Learn. Built on a proven curriculum of sequential, skills-building instruction, Type to Learn 3 helps students master keyboarding by engaging them in lesson/practice sequences that include:

- Home Position: A friendly reminder on proper positioning at the keyboard
- Warm Up: Loosen up fingers in a home row review
- Check Point: Quickly review previously learned lessons
- Learn New Keys: Animated 3D hands introduce keystrokes on a color-coded keyboard
- Exercises: Direct keyboarding instruction with automatic review and plenty of practice
- Final Challenge: Ensure skills are mastered with a test after each lesson

Each of the 25 lessons in Type to Learn 3 is followed by a set of skills-based practice games. With new art, more teacher control options, and a captivating world history theme, them new games provide fun practice for students! Grades 2 - 12.

To order your copy(ies), please enclose a note with your child's name, child's teacher and number of copies along with a check made payable to "Mantua PTA" in an envelope labeled "PTA Box - Type to Learn". The software will be sent home with your child in a sealed paper bag (in case the software is a gift).

Please contact Carole Thomas at caroleandjay@aol.com if you have any questions.
