A Note About Student Class Placements for 2012-13 School Year

If you plan to share information about your child with Mrs. Fernandez, you will need to use a special form, which can be found on Mantua's website at: <http://www.fcps.edu/MantuaES/>. You will be able to fill it out electronically and send it to JanMarie.Fernandez@fcps.edu. You may also drop it off in the front office.

"Just a reminder, it is not helpful to state the desire to have a specific teacher. Ironically, over the years, I have noted that parents do not always pick the best match for their own children," said Mrs. Fernandez. "They do not have the benefit of actually knowing the different teachers' personalities and teaching styles, as I do. I work many days to thoughtfully complete class placements. Parent requests for specific teachers can often throw off the dynamics of this process and cause a classroom to be filled with too many students with similar needs."

"Please, do not feel that it is critical for you to fill out one of these forms. The teachers fill out cards at the end of the school year on all of their students," said Mrs. Fernandez. "I use this information as well to determine class placements. However, if you do feel the need to share information." All forms must be received by e-mail or dropped off in the main office by June 30.

Field Day is Just One Week Away; Volunteers Still Needed

Mantua's annual field days are June 5, for grades K-2, June 6, for grades 3-4, and June 7, for grades 5-6. We need volunteers to help walk the classes through the stations, keep the teams working together, make sure everyone understands the directions, demonstrates good sportsmanship and has a lot of FUN! The morning shift is from 9 a.m. to 12 noon, and the afternoon shift is 12:45 p.m. to 3:15 p.m. We still need help in the following classes (for the following shifts): Martin (PM), Davis (AM & PM), Cecere (AM), Baker (PM), Zimmerman (AM&PM), Borrelli (AM

& PM), Garneski (PM), Kepler (AM), Rothberg (PM), Wilson, Scott (AM & PM), Andersen (AM & PM), Boyd (AM & PM), Grice (AM), Malc (AM), and Rutherford (PM). If you're able to volunteer, contact Teresa LeMair, at teresalemair@aol.com, with the following information: your name, the class and AM or PM shift.

Fairfax County Police to Inspect Child Safety Seats at Kiss & Ride

Police officers will be at Kiss & Ride Wednesday morning, May 30, to help ensure child safety seats are installed properly. They will NOT be giving out tickets, however officers will be pulling parents out of line if their car doesn't have a seat installed correctly in order to show them how to secure it. Expect it to take longer to drop children off that morning as they will be checking every car that comes through the line.

Raccoon Run Wrap Up

Thank you to everyone who participated in and volunteered for the 12th annual Raccoon Run. Your donations, registrations, time and energy all helped raise more than \$9,000 for Inova's Life with Cancer program. A special thanks and congratulations to those students who collected donation through pledges, especially our first place winners, Abigail and Eleanor Kim; 2nd place Dylan Pompa; and tied for 3rd Maameyaa Asiamah, Howard Malc, and Justin Laiti.

Mary Acar won the drawing for those students who raised \$100 or more. Ms. Loveday's 1st grade class had most participants, therefore they will receive a pizza and ice cream party. Ms Loveday made the difference by participating in the race too! A special thanks to the Mantua Kids Care Club and to all the students who participated and helped! Runners' times are available at runwashington.com.

Don't Miss Saying Goodbye to Ms. Thompson on June 8

Mantua students, staff, families, alumni, and community are invited to a bon voyage BBQ on June 8, from 5 to 7 p.m. to honor our beloved Assistant Principal Cheryl Thompson, who is retiring after 35 years of dedication to Fairfax County Public Schools - 21 of them at Mantua. There will be hot dogs and hamburgers, ice cream, and music. Volunteers are needed to make this a success. Sign up to help [HERE](#).

PTA's Executive Board to be Voted on June 12

At its next meeting, the PTA will be voting on its executive board for the 2012-13

school year. The following are on the slate for the PTA executive board: President, Lesley Kowalski; VP1 Programs, Teresa LeMair; VP2 Membership, Shannon Murphy; VP2 Fundraising, Jennifer Epley; Treasurer, Carolyn Stephan; Secretary, Julie Middleton.

Third Grade "Did You Know" Performance DVD's Available

DVD's of the 3rd grade's performance of "Did You Know" are available for purchase. If you would like to order one, please return the order form sent home in your child's Tuesday folder with a check made out to Mantua PTA for \$10 per DVD and return to the PTA box by Tuesday, June 5. Contact Teresa LeMair at teresalemair@aol.com with questions.

Volunteers Needed for Fifth Grade's Medieval Times Festival

Mantua's 5th grade will celebrate medieval times on Thursday, June 14. Volunteers are needed to help students with crafts and games, serve lunch, etc. Please sign up to help [HERE](#). Contact Teresa LeMair at teresalemair@aol.com, or Meri Farling at merifarling@hotmail.com with questions.

Information from FCPS Regarding This Year's Math SOL Tests

New mathematics Standards of Learning (SOL) were adopted by Virginia in 2009, implemented during the 2011-12 school year, and assessed for the first time this spring. Initial data indicates that changes in the state's new mathematics SOL assessments are resulting in lower pass rates for students across the state.

Questions on the new SOL tests reflect increased rigor to more closely assess student's critical thinking and problem solving skills. Many concepts are now being taught at an earlier grade level than in previous years. For example, some topics previously taught in 5th grade are now taught in 4th grade. For students taking the test online, the new assessments include technology-enhanced questions. Simpler multiple-choice questions have been replaced by problems that require students to apply multiple strategies to solve prior to deciding on an answer.

Lower test scores are common when new standards and assessments are introduced, and we are confident scores will rebound as students and teachers become more familiar with the changes. Over the long term, these changes will have a positive impact on student achievement by raising expectations for all.

Since the beginning of the school year, our teachers have been preparing our students for the more rigorous tests. Parents can view narrated demonstrations of the new test items, online SOL practice tests, and grade level content reviews to help their children prepare for the tests by visiting <http://www.fcps.edu/is/news/mathsol.shtml>. Parents are reminded that students

test better when they are prepared physically and emotionally. FCPS' Family and School Partnerships share these tips for test takers from The Parent Institute: don't stay up late, get plenty of rest during test weeks, and eat healthy meals to keep mind and body nourished.
