Alex has loved scary stories his whole life, but he never imagined he would be trapped in one. Alex sneaks out in the middle of the night and becomes imprisoned by the witch Natacha in her magical apartment. Another child in the apartment, Yasmin, assures Alex that she's already tried every means of escape. Only Natacha holds the bonekeys that lead back to their world, and she'll never part from them. But Natacha likes stories. Alex's only chance for survival is to keep Natacha satisfied by reading her one of his own hair-raising tales each night. But Alex is running out of time and original stories and he's desperate for a way out of this twisted place.

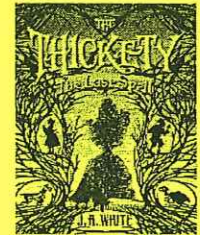

When Kara Westfall was five years old, her mother was convicted of witchcraft. Years later, Kara and her family are still shunned by the people of their village, who believe that nothing is more evil than magic. Except the mysterious forest that covers nearly the entire island called the Thickety. When an unusual bird lures Kara into the forbidden forest, she discovers a strange book with unspeakable powers.

Deep within the dangerous Thickety, Kara and her brother, Taff, must figure out who and what to trust in order to escape and stop the evil Sordyr.

Kara and her brother Taff leave the island of De'Noran and the Thickety to travel to the World, where grimoires are enchanting young girls.

Kara and her brother, Taff, must find the hidden pieces of Princess Evangeline's grimoire to defeat Rygoth and her army of witches.
