

The Mantua Elementary PTA invites all Parents and Caregivers to our first Parent Education Session of the year

# How to Raise Responsible, Respectful Children...Without Yelling or Nagging

Presented by Rachel Bailey, M.A., CPDPE

TUESDAY, OCTOBER 30, 7:00 PM

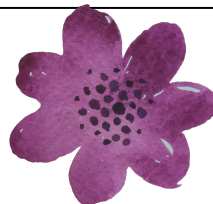

Mantua Elementary School Library

**FREE! No RSVP Necessary. Bring a Friend!**

**You want your children to do what they're supposed to do.**

But yelling, begging, bribing, and punishing don't seem to motivate long-term responsible behavior.

And those strategies don't feel good to your kids... or to you.

Join Parenting Specialist Rachel Bailey at this workshop and learn:

- The real reason children don't do what you ask them to do. (It's not what you think!)
- A simple 3-step strategy to use in the moment when your child refuses to cooperate.
- Specific tools for fostering internal motivation... so that your child *wants* to make responsible decisions, even when you aren't there to remind them.
