Mantua Elementary Trees

In early November we were joined for the day by Hugh Whitehead of Fairfax County's Urban Tree Management Division. Hugh brought 10 tall trees (each about 10 to 12 feet tall), generously provided by the county's Tree Conservation Fund, for us to plant around the playground. Mantua Elementary is fortunate to be the recipient of this many large trees. The species planted are:

American beech (*Fagus grandifolia*)

American elm (*Ulmus Americana*)

Black gum (aka sour gum or tupelo) (*Nyssa sylvatica*)

River birch (*Betula nigra*)

White Oak (*Quercus alba*)

Here is how the area now looks below the playground:

Thank you to the many students who planted the trees as well as the students who help water them during the recess “bucket brigade!” Hugh Whitehead of the Urban Forest team will continue to work with us and our trees, on lessons that involve learning from trees: data collection to track growth, photographic records, the impact of trees, and expressing information about trees through visual and language arts. As Hugh noted, “There are so many ways the trees could be a continuing contributor to the students’ education.”

Reminder About Early Dismissals

As shared in the first day folders, children will not be called out of class for early dismissal after 3:40pm and cannot be released to anyone other than a parent unless that person is on the emergency care card. The exception to the emergency care card requirement would be a release authorized by the parent through an email to mantuaesattendance@fcps.edu received prior to 1pm that day.

For “play dates” notes from parents of both the visitor and the host will be required for students planning to go home with a friend or neighbor after school. Students without corresponding notes will follow their typical dismissal plan.
