II. Reports

Principal's Report

Jan-Marie Fernandez

Any school closure will come from the school district. If people feel there are conflicting messages coming from the school it's because they are being updated as new information comes in. Things are changing rapidly so protocol changes with that.

A message from Jan Marie about colonial days will come out relatively soon.

They are encouraging the whole school to wash hands, wash hands, wash hands and request children with a fever or not well to stay home until well for 24 hours.

The young man who had been on campus was a former student, and is known to the administration with fondness.. They did not feel he had mal intent and was undergoing a mental health issue that was being addressed. A STRONG request to respect the individual's privacy as they get the help needed.

Principal's Report (cont'd)

Amy Alley

NNAT (Naglieri) Test was given to 1st Graders and selected students who did not have a score on file. Scores were sent home during winter break as were CogAt scores. Reminder that anytime a test is given, scores are sent home in the mail. NNAT were given again on 2/10/2020.

IOWA Testing for 6th Grade AAP/6th Grade Advanced Math – helps determine math placement for middle school. Scores come back in March.

Computer Lab – All Mantua students are participating in new STEAM lab/computer gaming program. Emphasis on basic programming and creative problem solving.

Exploring having a cart for teachers to check out with STEAM learning. Some teachers are experimenting with this right now. The cart has items for kids to explore STEAM free play during windows of time such as morning arrival time. Stand by to hear the feedback

Principal's Report (cont'd)

Nick Rousos

- On 2/14/2020, Woodson HS hosted a Math Enrichment class for 2nd Graders, was a great success.
