Dear Mantua Elementary Families,

I'm writing this letter to reach out from the bottom of my heart and ask this community for help. I hope that at a minimum you'll do me one small favor and read this through to the end. I apologize in advance about the length.

For those who don't know me, my name is Kathy Timberlake and I am a full-time working mom of 5 kids – 3 current Mantua Raccoons and 2 future Raccoons. My husband Doug and I help where we can, when we can, but quite honestly we have benefited enormously from the outpouring of love through a small number of volunteers within our community that just keep stepping up. So, I would like to begin this letter with an enormous THANK YOU to every parent/guardian that has taken time off of work or out of their day to do things like stuff Tuesday folders, tend to the garden, read to Kindergarteners, etc.

Now, for my heartfelt request... [CLICK HERE FOR THE FULL TEXT](#)

Visitors Welcome

The most updated guidance from FCPS indicates that we can welcome visitors and volunteers. Our Visitor Management System is back up and running in the main office. Visitors who will be engaging with students will need to check-in using this system. Please know that the Visitor Management System requires that visitors have their licenses when checking in. Our teachers may begin to solicit parent volunteers through their parent communication.

Your Views and Opinions Are Important!

This spring all Mantua parents/guardians will be contacted through email with a link to the *FCPS Principal Evaluation Parent/Guardian Feedback Form Online*. This questionnaire is part of the Performance Evaluation Program and offers parents/guardians an opportunity to provide anonymous input about various topics related to our school. These topics include instructional leadership, school climate, human resources management, organizational management, communication and community relations, and professionalism. Understanding that this has been another unusual year, the impacts of COVID-19 will be taken into consideration when reviewing the feedback.

The questionnaire will be collected online **thru March 18**. When you receive an email from *FCPS Surveys*, please take a few minutes to complete the questionnaire. Your opinions matter!

2022-2023 Kindergarten Survey

Mantua ES needs your help in projecting the Kindergarten enrollment for the 2022-2023 school year. Virginia Law, section 22.1-254, requires children who will reach their fifth birthday on or before September 30, 2022, to be enrolled in Kindergarten for the 2022-2023 school year unless the parent or guardian notifies the school in writing that they do not wish the child to attend school until the following year.

If you have a child who will be five years old on or before September 30, 2022, please complete [this form](#) and return it **no later than March 31, 2022**. If any of your neighbors have children who will be eligible for Kindergarten, please share this information with them, as we are especially interested in reaching those Mantua families who do not have children currently attending school.

The information on this survey will help the school plan for adequate facilities and personnel for the 2022-2023 school year. **Please email the completed form to Mergie Kakouris at mbkakouris@fcps.edu.** We thank you in advance for returning the form **no later than March 31, 2022** .

COVID Vaccination Status

You may wish to voluntarily share your child's COVID-19 vaccination information with Mantua ES. However, we do not require your child's vaccination information and no school employee will ask for your child's vaccination status. If you would like to provide us with your child's vaccination status, please bring your child's COVID-19 vaccination card or a photocopy of the card to Ms. Kakouris in the front office. COVID-19 vaccination documentation contains Protected Health Information and should not be emailed.

Seventh Grade Immunization Requirements

Effective July 1, 2021 all students entering 7th grade will be required to receive one dose of each of the following immunizations prior to the beginning of school: Tetanus, Diphtheria and Pertussis booster (Tdap) given at age 7 or older, and Meningococcal vaccine (MenACWY) given at age 10 or older. Seventh grade students cannot begin school in August without proper Tdap and Meningococcal documentation.

Acceptable documentation to submit to Mantua ES can be one of the following:

1. An immunization record showing the month, day, and year the immunization(s) was given.
 2. A note on a healthcare provider's letterhead stating the month, day, and year the immunization(s) was given.
 3. A healthcare provider's written statement of a permanent or temporary medical exemption for a student who cannot receive the immunization due to medical reasons.
 4. A notarized Religious Exemption Form, which is available online at: http://www.doe.virginia.gov/support/health_medical/certificate_religious_exemption.pdf

Children Ages 5-11 Now Eligible to VaxUP!

Children ages 5-11 are eligible for the COVID-19 vaccine. FCPS is collaborating with the Fairfax County Health Department, Inova, and the Virginia Chapter of the American Association of Pediatricians to offer community-wide access to vaccines as soon as possible. Vaccines are

expected to be available at mass vaccination sites really soon. Check with your local pharmacy or pediatrician for appointment availability. Up-to-date information about vaccination opportunities will be available on our website.

In the meantime, you may have questions about the vaccine. We talked with local pediatricians to answer some of the most common questions. First, we asked how the vaccine works and about its safety. Hear what they have to say in this short video.
