### **Complete Your Free and Reduced-Price Meal Applications This Summer**

For the past two years, the federal government has provided no-cost meals to all public school students without the need to complete the annual Free and Reduced-Price Meal application. Eligible families are encouraged to submit the Free and Reduced-Price Meal application before the first day of the 2022-23 school year. The online application will be available later this summer and accessible via the FCPS homepage.

Students approved for [Free and Reduced-Price Meals](#) may qualify for additional benefits such as waived or reduced fees for instruments, uniforms, field trips, FCPS class fees, and [Parktakes](#) classes.

---

### **Summer Meal Service**

No-cost summer meals will be served to students enrolled in summer school at all FCPS summer school locations this year.

The meal kits will be available for pick up Tuesday mornings. All meals are available at no-cost to FCPS students and children 18 years of age and under. Visit our [Meals for Students](#) website for more details on pick up locations and times.
