No Talent Show This Year?!

Currently, we don't have a parent volunteer to run our annual talent show this spring. There are guidelines and many experienced and helping hands available to support this program, but we need a leader to step forward. If you are interested in finding out more (no obligations!), please contact Lori Prendergast at LoriPren@yahoo.com.

Mantua Family Night Fundraiser

Join us for a family night out on Wednesday, Jan. 19, between 4 to 10 p.m. at Baja Fresh Mexican Grill in the Pan Am Shopping Center on Nutley Street. Invite all of your family and friends to dine with us at the restaurant (or order take out) and 15% of the proceeds will go to Mantua's PTA. Make sure to mention that you are with Mantua in order for the school to receive credit.

Deadline Extended for Auction Donations

The last day to turn in auction donations is Jan. 15! They should be sent to the front office. Please donate any items. Re-gift Christmas gift cards, toys, and be creative with goods or services that can be auctioned to benefit our school! Teachers and staff, as well as the local and national business community have been very generous in offering items and services. Send items in with your child, or contact Haydee Cooper haydee.cooper@gmail.com to arrange for pick up. The online auction will take place Feb. 1-15!

Help Mantua Earn Cash by Recycling

Send in your used ink jet or laser printer cartridges, cell phones, PDAs and laptops from home or work to earn money for school programs and materials. Accessories such as chargers, extra batteries, cases, headsets, etc., also can be donated. Please place all items in the gray Rubbermaid container in the school's front lobby. Mantua

earns money by recycling these items through the Cartridges For Kids program. All cell phones turned in by Jan. 19, earn double! It pays to be green!

Application Process for Elementary Magnet Schools

The following information will explain the 2011-2012 magnet school application and lottery process for Hunters Woods Elementary School for the Arts and Sciences and for Bailey's Elementary School for the Arts and Sciences.

Bailey's Elementary School for the Arts and Sciences has a broad array of programs to help each student to continually grow and thrive in his or her ability to create, inquire and connect. The school has both classroom teachers and additional specialized educators who focus on the sciences, the arts, and the technology so that these areas are integrated and complement one another as the child learns in all fields. Additionally, some students have the opportunity to participate in the Spanish Immersion program.

Hunters Woods Elementary School for the Arts and Sciences offers an interdisciplinary, concept-based instructional program with an added emphasis on fine and performing arts, science, and technology. Kindergarten and first grade students are assigned to multiage (K/1) classes. A science specialist, a technology

resource teacher, and additional art classes provide opportunities for all students to enhance their learning. The arts team includes music, art, and dance teachers. Resource teachers collaborate with classroom teachers to coordinate and integrate learning activities with classroom instruction.

To be eligible to apply, a student must be on or above grade level in language arts and math

and demonstrate positive interpersonal and school behavior. Applications will be screened for eligibility, and a lottery will be conducted in early April.

Applications are available at the following website:

<http://www.fcps.edu/news/magnet.htm>. Parents must complete the appropriate school application and return the form to the PreK-6 Instruction and School Support Office, at Fairfax Ridge. **Applications must be postmarked no later than March 1.**
