Nominating Committee

The Mantua PTA Executive Board is in need of 3 PTA Members to serve on the Nominating Committee to put forth the new slate of Executive Board Members for the 2018-2019 school year. We need to elect this Nominating Committee at our February 8th PTA Meeting (you do not need to be present at this meeting to be a member of the committee, though it is encouraged.) The slate needs to be announced at our April meeting and the membership will vote on the slate at our final meeting in late May. If you would like to be a part of this important committee or have questions, please contact Sam Leiber at president@mantuapta.org. This is a volunteer commitment that will last approximately 1 month and is not very time consuming (especially if you already know some Mantua parents that would be perfect for the PTA Executive Board!)

Inclement Weather and Emergency Closing Plans; Make Arrangements Now in Case of an Unforeseen Schedule Change

Cold and wintry weather is on its way! Due to inclement weather or other emergency situations, it may be necessary to close schools for the entire day, to open schools late, or to close early.

Parents are urged to make arrangements now for the care of their children when schedule changes are made (and to provide for the rare situation when it is necessary to close an individual school because of a power failure or other circumstances). Children should know where to go if a parent will not be home.

FCPS has several schedules set up to deal with inclement weather; these are put into effect when conditions threaten the safety of students and staff members:

- Keep schools closed.
- Open two hours late.
- Close two hours early.

When Fairfax County Public Schools has a schedule change (closing or delay) due to inclement weather or other emergencies, [the information is communicated in several ways as soon as the decision is made.](#)

Note: The official [@FCPSnews Twitter](#) account (with blue check mark) is generally the first and fastest mode of communication during emergency weather closings. Other communication channels will be updated as quickly as possible including email, text, website, other social media, and news stations. Please be aware, due to the large volume of emails sent, there will likely to be a lag between the time a FCPS Twitter alert is posted and receipt of an email in your inbox.

Video: Learn How Inclement Weather Closing Decisions Are Made

Ever wonder how FCPS administrators decide to close or delay school due to inclement weather? [Watch this video for an explanation and answers to some common questions.](#)
