Teacher Appreciation Week

A friendly reminder that this week is Teacher Appreciation Week at Mantua ES! This is the perfect opportunity to show our teachers just how much we appreciate all their hard work and dedication. Over the years, it has become a tradition at Mantua to do a “little something” each day for our teachers during Teacher Appreciation Week (SHHH, it's a surprise.) Each thing is totally voluntary; you can do none, some, or all! Also, don't forget our wonderful specialists – PE, Art, Music, Italian, IA's, Reading Teachers, etc. We have so many wonderful staff members at Mantua that are deserving of recognition!

- Tuesday, 5/8 – Bring in a card (handmade or bought) or picture or crafty handmade item.
- Wednesday, 5/9 – Bring in one sweet treat: one Hershey's Kiss, one homemade cookie, etc.

- Thursday, 5/10 – Bring in one school supply: Post it notes, a Sharpie, disinfecting wipes, stickers, etc.
- Friday, 5/11 – Bring in one piece of fruit.

Feel free to contact Jenn Ros with any questions

AAP School–Based Level III Services

Fairfax County Public Schools provides a continuum of gifted services for students. While some levels of these services are provided to all students, other students must be considered eligible through a school committee. If you wish to refer your child for consideration for Part-time School-Based Services, the deadline is **Friday, May 11th** for submitting the form to the Mantua office. Students eligible for school-based services will receive an enrichment lesson during the Dreambox/Library Block in one of the four core subject areas. The following criteria will be used to determine eligibility: rising 3rd-6th grade student, Gifted Behaviors Rating Scale, CogAt and NNAT testing, Universal Screener, DRA data, and SOL testing information, if applicable. Notification regarding eligibility will be included with the 4th quarter report card. More information and a link to the referral form is located

Important Immunization Requirement: Do You Have a Student Entering Sixth Grade Next Year?

If yes, he or she may need a booster dose of Tdap (tetanus, diphtheria, acellular pertussis). Sixth grade students cannot begin school in August without documentation of the Tdap booster. Parents or guardians should ask their private healthcare provider, or the health department, to review their child's immunization record if they are unsure if their child has received the Tdap booster.

Students who have received a Tdap booster between the ages of seven and eleven do not need another dose. Documentation must be provided to the school student information assistant (SIA) or registrar as soon as possible.

Fairfax County Elementary and Middle School Science and Engineering Fair

The 5th Annual Fairfax County Elementary and Middle School Science & Engineering (FCSE) Fair will take place on Saturday **May 12, 2018** at George Mason University.

<https://www.fcsefair.com> The FCSE fair will accept projects in the areas of Life & Earth Sciences and Physical Sciences & Engineering.

The divisions are:

Division I (grades 1-3)

Division II (grades 4-5)

Division III (grades 6–8)

Students are encouraged to begin working on their projects now so that sufficient time is allowed for planning, data gathering, and final presentation of results. Students are expected to keep a journal documenting the progress of their investigation. Students must prepare a trifold poster board of their project for the fair.

Rules & Guidelines here:

https://docs.wixstatic.com/ugd/d54dde_7bfe491853294c92b4co88bo54153cfc.pdf

The FCSE fair has several requirements in advance of project start and submission this year, including a checklist, research plan/project summary, and an approval form. The FCSE fair will be following the rules of Intel International Science and Engineering Fair (ISEF); more information available at: <http://student.societyforscience.org/intel-isef>. If there are more interested students than available slots allotted to Mantua (which we will find out in early April), we will have to decide which projects will go to the fair based on scientific merit. Please email mantuasciencefair@gmail.com if your child is interested in participating in the science fair.

Please indicate:

- Child's name, grade, teacher
- Child's interested project area
- Child's proposed project topic (if known)
- Additional paperwork as noted above will be necessary prior to enrolling in the county science fair.

Project registration typically occurs in late March-early April.
