

# MANTUA PTA WELCOMES YOU!

As we look forward to the new year, let's spend a moment in reflection: Your generosity to Mantua PTA through our fundraisers resulted in a donation of just **over \$74,000** to our school in 2017! In an era of budget cuts, these funds continue to make a huge impact on campus. <<INSERT JMF QUOTE>>. This document provides examples of how those funds were used to support our students and faculty, and you can check out MantuaPTA.org for much, much more! <<NEED STATS>> Let's do it again!
