The Mantua PTA is excited to offer enrichment classes for Mantua students! These classes seek to build upon our students' educational foundations by giving them opportunities to explore other areas of learning.

The classes are an easy, safe, and convenient way for your child to explore a new hobby, dive deeper into a developing passion, or hang out with friends after school in a fun, structured environment!

*Whether you are looking for sports,  
arts and crafts, technology, science or hobbies,  
there's something here for everyone.*

Find all the program information at <https://em-mantua.jumbula.com>.

For more information please contact the Mantua Enrichment Coordinators, Heather Hill and Tara Kelly, at [enrichment@mantuapta.org](mailto:enrichment@mantuapta.org).
