FCPS Family Engagement Survey

The FCPS Family Engagement Survey will be administered to all parents from **March 24-April 12, 2019**. The purpose of the survey is to provide data to inform the Strategic Plan goal of Caring Culture: *FCPS employees will demonstrate cultural responsiveness when supporting families, students, and other staff*. Results of the 2019 survey will be considered baseline, and it is anticipated that another Family Engagement survey will be administered in two years. Eight language translations of the survey will be made available, including Amharic, Arabic, Chinese, Farsi, Korean, Spanish, Urdu, and Vietnamese. Parents will receive an email from FCPS about the survey, which they will be able to complete on most electronic devices, including smartphones.

Paper copies and at-school access for parents will be made available as needed by contacting Nick Rousos, Assistant Principal, at Mantua ES at nbrousos@fcps.edu.

Parent Education Session March 27th 7PM

Rachel Bailey will be back!
Raising Resilience: Helping Children Handle Life's Inevitable Obstacles

In this workshop, you'll learn the qualities that differentiate resilient children from those who crumble in the face of adversity. You'll also learn what to say and do to help your child handle challenges as they occur... and simple, realistic strategies that will improve your child's overall resilience.

Author Visit

On **April 12**, students in grades K-2 will be listening to a presentation by award winning author Barney Saltzberg. He has written many children's books including Crazy Hair day, Star of the

Week, and Beautiful Oops! Our Art teachers are collaborating with the library to offer this exciting opportunity. In advance of his visit, students are able to purchase one or more of his books to have signed by the author that day. We are working with Barnes and Noble as a fundraiser to support the library. 20% of the profits from the sale of these books will go directly to the library. Please consider making an order today!

Communication to Parents and Students about the Momo Challenge and Digital Citizenship Resources

In Fairfax County schools, county agencies and families are working together to create an environment where children and youth can safely learn, work, and play. Similar to our message containing information about the 13 Reasons Why NETFLIX program and the Blue Whale Challenge, we are sending this communication to alert you to a recent rise in new games and social media challenges that encourage young people to participate in harmful behavior.

One example of this is a potentially harmful game called the "Momo Challenge" that has reportedly been posted on different social media platforms to include WhatsApp and assigns players a series of progressively more intense tasks, to include self-harm. It is important to note that the Momo Challenge is a hoax that has received a significant amount of media attention.

This hoax has been seen across the United States in recent months, targeting primarily elementary aged children. Vigilant parents and guardians in Fairfax County have also reported seeing information about the Momo Challenge or similar games on their children's phones and have alerted school authorities.

Please talk to your child about this type of internet hoax, and check his or her phone or other device for signs of an app or communications with anyone telling them to do specific tasks. This provides an excellent opportunity to remind your child of best practices for internet safety and digital citizenship:

- *Remind your child information shared on social media is not always true and how quickly misinformation can create a panic online.*

- *Children should never engage in conversations with strangers online.*
- *Be aware of the sites and apps your children are using and know their usernames and passwords.*
- *Turn off suggested autoplay on videos to stop children from viewing content they have not selected, and you have not approved.*
- *If appropriate, tell your children that Momo is not real and will not hurt them.*
- *Encourage open dialogue with them around any concerns.*

FCPS has additional resources available on this website: <https://www.fcps.edu/node/32086>. If you have concerns about your child, please contact your school counselor. Please be aware that a number of mental health resources are available, including Fairfax County Public School resources: School Counseling Services at 571-423-4420, School Psychology Services at 571-423-4250, and School Social Work Services at 571-423-4300 and Fairfax County resources: Crisis Link Hotline at 703-527-4077, Merrifield Emergency Services 703-573-5679 (available 24/7) or Entry and Referral during business hours at 703-383-8500. The Fairfax County Police Department non-emergency number is 703-691-2131.

Frozen Treats

The weather is warming up and some students want to bring frozen treats to share with their class for their birthday. The school is not prepared to store frozen treats. If you wish to bring frozen treats for your child's birthday, please pack them in a cooler and be sure the cooler is labeled with your name. Please coordinate with your student's teacher any time you are bringing in birthday treats.

Fairfax County Elementary and Middle School Science Fair

The 6th Annual Fairfax County Elementary and Middle School Science & Engineering (FCSE) Fair will take place on **Saturday May 11, 2019** at George Mason University. <https://www.fcsefair.com> The FCSE fair will accept projects in the areas of Life & Earth Sciences and Physical Sciences & Engineering.

The divisions are:

Division I (grades 1-3)

Division II (grades 4-5)

Division III (grades 6-8) Students are encouraged to begin working on their projects now so that sufficient time is allowed for planning, data gathering, and final presentation of results.

Students are expected to keep a journal documenting the progress of their

investigation. Students must prepare a trifold poster board of their project for the fair. Rules & Guidelines can be found at https://docs.wixstatic.com/ugd/d54dde_7bfe491853294c92b4c088b054153cfc.pdf The FCSE fair has several requirements in advance of project start and submission this year, including a checklist, research plan/project summary, and an approval form. The FCSE fair will be following the rules of Intel International Science and Engineering Fair (ISEF); more information about Intel ISEF is available at: <http://student.societyforscience.org/intel-isef>. All projects that require additional approvals must have forms submitted to mantuasciencefair@gmail.com and Ms. Sullivan (5th grade AAP teacher) before starting on such projects. If there are more interested students than available slots allotted to Mantua (which we will find out in early April), we will have to decide which projects will go to the fair based on scientific merit. Please email mantuasciencefair@gmail.com if your child is interested in participating in the science fair. Please indicate:

- Child's name:
- Child's grade:
- Child's teacher:
- Child's interested project area:
- Child's proposed project topic (if known):

Additional paperwork as noted above will be necessary prior to enrolling in the county science fair. Project registration occurs in late March-early April. Cost is typically \$120 divided evenly by all school participants.

Submit any of these changes using the online attendance form or the email MantuaElem.Attendance@fcps.edu.

You're Invited to the PTA Listening Tour

Research shows that parent engagement in school and at home helps students succeed. Fairfax County Council PTA is working to increase opportunities for parents to become active in their children's school communities.

Parents and caregivers are invited to share their thoughts and experiences during one of four upcoming listening sessions hosted by Fairfax County Council PTA.

Your voice matters. Please join us for small group discussions 7-9 p.m. on Mondays at the following schools:

- **Apr 1** **Marshall HS**

There is no cost to attend. For questions contact Stella Pekarsky, vp.outreach@fccpta.org.

Summer Camp

Camp at The Fieldhouse

Fieldhouse camp is a great way to keep kids active throughout the summer. They provide a safe and enjoyable place for parents to leave their children during the day while they work. Kids will have the opportunity to try a new sport or continue playing the ones they love. Camps are for kids ages 4-14 years old and run from 9a-5p.

Reminder About Early Dismissals

As shared in the first day folders, children will not be called out of class for early dismissal after 3:40pm and cannot be released to anyone other than a parent unless that person is on the emergency care card. The exception to the emergency care card requirement would be a release authorized by the parent through an email to MantuaElem.Attendance@fcps.edu received prior to 1pm that day. For “play dates” email or notes from parents of both the visitor and the host will be required for students planning to go home with a friend or neighbor after school. Students without corresponding email or notes will follow their typical dismissal plan.

There is a new direct email link on the Mantua ES Website for reporting dismissals and absences to <https://mantuaes.fcps.edu/attendance-form>

Translators

Translators comprise another vital part of our outreach efforts. We want every Mantua ES family to feel included and connected—should families need to have a document translated into their native language, our volunteers are here to help!
